

ROSEVILLE WOMEN'S NEWSLETTER August / September 2020

I am delighted to report that Wendy Butler, the Women's Vice-Captain, has agreed to join the Women's Committee. Wendy is a member of Roseville's Match and Greens Committee and assists Susannah with all manner of golf matters.

It is great to see so many new members taking advantage of these wonderful late winter days. We are very happy that a large part of inland Australia has had a decent drop of rain – however, it still hasn't broken the drought for them. Roseville Golf Club has had its share of rain. Obviously it is very very wet underfoot. Please be very mindful to take a sandbucket and use it. Repair your divot and any surrounding divots at the time.

“Buy a Bale” Charity Day

On **Sunday 23 August**, we are hosting a mixed 4BBB team Charity event in support of our farming communities who are still in drought, recovering from fires and trying to cope with the COVID-19 situation. The cost of \$35 includes a sausage sizzle and a donation to “Buy a Bale”. Participants are invited to wear country attire - from scarecrow, shearer to Pitt Street farmer. You are also invited to buy a “cheats” book, for sale outside the Pro shop. There are still a few spots available, for members' guests too, so hurry to secure the last bookings!

Course Closed

Roseville Golf Course will be closed to ALL players on Tuesday 1 September. Due to the high numbers of their own players wishing to play, Monash Golf are not able to offer us the reciprocal tee times that we have been offered in previous years.

Don't forget to sign up for the 4B Ambrose game on Wednesday 2 September. The week after that on Tuesday 8 September the comp will be three clubs and a putter – a 4BBB team event – get your team together!

On Friday 4 September, we are inviting all mentors and mentees to sign up for a game together. This will be a 4B Ambrose team event. Timesheets will be open at 4.30 on Monday 24 August.

Changes to Fixtures

We have had to make a number of changes to our fixtures this year, given some of the restrictions we faced earlier in the year. We felt there were too many events taking place one after the other. **Pink meets Teal day** which was scheduled for 15 September will now take place on **9 October**. We have decided to postpone the **Friday Fun day** until March 2021.

Gobbler Sheet

A reminder that the Gobbler Book is now available for Women's Competitions on both Tuesdays and Fridays. You and your marker can make a note of your result in the book outside the Women's Committee room.

Marker's responsibilities

Although we are not able to swap cards with our marker, please note that you are still responsible for verifying your playing partner's score. It's not always possible, but you should try to observe, where you can, your partner's shots so that you are able to agree the total number of strokes on each hole, including any penalties.

2BBB Comps

From the beginning of August we have included a 2BBB comp in addition to the usual comp on Tuesdays and Fridays, with the exception of stroke days. This ensures that the prize money is awarded to individual players with the highest scores and gives everyone a chance to win a prize as a two-person team.

Tuesday 9 Hole Comps

The Tuesday draw continues to be popular for the 18 hole comps. We are considering introducing a draw for the 9 hole comp next year in order to mix players up and give new members a chance to play with more experienced players.
