

ROSEVILLE WOMEN'S NEWSLETTER

November / December 2020

Well – I am looking forward to the back of 2020. The best thing about this year is that we have been able to play golf. We have a lot of new members – and I see many happy faces around the Club. The Match and Greens Committee are continuing to work on the 2021 Fixtures book on the Roseville Golf Club website - have a look at the 'Upcoming Fixtures' tab on the left side of the home page.

QR Codes

Please be very mindful – if you are not playing golf, and therefore not listed on the booking sheet, that it is mandatory for you and your visitors to log-in with your phone using the QR code at either the Pro shop, reception desk or the bar area. If you leave the golf course and return later that day – it is compulsory for you to log-in again. This is also required for the Friday evening Barbeque Spit Roasts.

Please also keep COVID safe and aware – and note that Roseville Golf Club is a handshake-free and hug-free zone!

Christmas Gala Day

On Tuesday 8 December we will be holding our Christmas Gala Day 4BBB v Stableford. Please feel free to dress as outrageously as you feel this Christmas season needs to be.

It is NOT a shotgun start. Tee times will be the same as for the summer comp:

7.40am – 18 hole event 1st tee

7.00am – 9 hole event 10th tee

The timesheet will open at 4.30pm on Monday 23 November (2 weeks in advance). It is a 4BBB v Stableford team event for both the 18 and 9 hole competition.

This is a "FUN" event and we hope to have a few COVID-safe challenges for you.

Captain's Comments

Our Winter Season officially came to a close with what should have been our Presentation Day on 17 November, but instead was a smaller rather informal presentation of end of year prizes and trophies to winners, in front of a small crowd who happened to be there after golf. Apologies to anyone who would have liked to have been there to congratulate the winners but we really needed to limit numbers due to COVID restrictions. A full list of winners together with those who have won Veterans prizes is attached at the end of this newsletter.

8th Hole / 16A in play

Please be aware that renovation work to improve drainage on the 8th Tee is due to start in a couple of weeks, at the beginning of December – and 16A will be in play. This renovation should take approximately 5 to 6 weeks and should be completed by early next year.

Rules Rules Rules...

Rules knowledge (or lack thereof) along with slow play seem to be a Captain's perpetual whinge. It is in everyone's best interest, no matter how high or low our handicaps, to know the rules. The link below takes you to the R&A website where you can do a rules quiz, read up on rules and, best of all set up your own account and then undertake the Rules Accreditation!

There are a lot of golfers who think they know the rules but actually don't, and if you can't confidently make a ruling yourself you are at their mercy!!

No draws are done during the Summer Season. Timesheets will open as usual at 4.30pm 8 days in advance on Tuesdays and 8 days in advance for Fridays. The afternoon 18 hole Stableford comp will continue for the time being.

Because we have the majority of our membership staying in NSW, wishing to play golf – can you Please Please Please be considerate to other members. If you know you cannot play golf – can you please cancel yourself off the booking sheet at the earliest possible time. Also, if you put a friend's name on a timesheet please remember to tell that friend!!

Water

In the coming humid conditions please bring a plentiful supply of water with you as the bubblers around the course have been capped. The bar will have water available to refill your water containers.
